Another year is almost at an end. This 2017 we really put our minds together and kept focus on our motto: “Moving Forward Step By Step”.

Most of us joined the Board in June 2012 because of our deep hearted connection with Longview. We wanted to see Longview thrive and be that secret place on the Wicomico River.

We’ve enjoyed this year and we kept our focus toward our goals. We had a job to do and we knew how committed we were, so we forged forward.

Our pleasure comes with seeing how our community has come together throughout the years and has shown growth in conforming to the rules of Longview. Since the beginning, the reminders and focus has been on obeying the rules and by-laws of Longview. Rules such as our Speed Limit-20mph, Speed Hump signs, the Dog Poop signs, Keeping LV Neat and Clean, Picking up Trash, Putting Trash in the Trash Receptacles, Cutting Grass, Beautifying Your Property, Showing Respect and “No Dumping”. This is just a few rules we’ve stressed over the years to our residents.

We do appreciate your efforts and cooperation. Thank You! We can only get better working together…. Let’s try even harder….

As you know, everyone at Longview is a member of our “Neighborhood Watch Team”. We need to call on you again. There is someone who is still dumping in our wooded area. Dumping has really gotten better, really gotten better and the Board is so pleased… But, we need your eyes and ears to help catch this “Culprit”. Spread the Word – “NO DUMPING”. We’re not going to let someone inside or outside of our community - dirty our community.

Let’s Protect Longview, Together!
Let’s get on this, please and Help Your Board!!

Remember, Sat., October 14, 2017 is our Community Meeting at the Clubhouse – 1:00pm. Hope to see you there.
HOA members, thank you for the opportunity to serve you as President of the Board for the past five years. It has had its challenges and it’s a lot of work. But I’ve enjoyed the comradery with the board, staff, community and most of all focusing on what was important to LV and executing our plans. That was the real joy – Making it happen!

June 2012 was the beginning of my role as President with three principles in mind: to lead with integrity, inclusive planning and deliver results.

With this in mind, I am pleased to announce Longview’s Board has completed all of the projected goals set for 2017, plus more. Our exceptional commitment and tireless efforts in providing a safe and reliable infrastructure at Longview proves together we have made a positive impact on the quality of life for the LV community. That makes me proud – That makes members of our community proud. I have heard throughout the year comments from young and old, new and seasoned members of the community, that they approve of the improvements and additions to LV. I’ve listened to those who gave advice and offered constructive criticism to projects being executed. We value our community residents and all of our efforts were possible, because we connected with the community, listened to the residents and focused on what was important.

As I look back over the year, I am just elated. Our roads, the painting of our Clubhouse, our speed humps and the widening of the entrance into Longview, just to name a few accomplishments, are just incredible. It’s been rocky, at times, but the board worked with me and we continued to “Move Forward and We Kept Our Eyes on the Sparrow”.

One last addition, for the year, we would like to extend to Longview is the Cluster Mailbox. We are presently working with the USPS, United States Postal Service, and waiting for their evaluation to see if Longview is eligible to have this service. This assessment is according to USPS rules and regulations. Next week, Ms. D. Moss, Manager of Customer Delivery Service, will make contact and the results will be given.

Keep your finger cross, because this will certainly be an asset to our community, especially to our seniors and handicapped residents. You will be notified.

Remember, the Longview Beach Club was formed in 1952. Let’s not forget our history, let’s not lose the love and spirit of Longview and remember, “Together We Can Make a Difference”.

I ask you to take Pride in our Community and Read and Obey Our Constitution and By-Laws.

Join our Community Meeting, Sat., October 14th at 1:00 pm, at our Clubhouse.

Sincerely,
Nellie L. Cureton
Board President
LONGVIEW’S
Most Frequently Violated By-Laws

Through the last five years, the Board has noticed certain violations that have been repeated over and over again. Violation letters and fines have been served and a difference has been noticed. However, we feel those violations that are frequent need to be shared with the entire community. We hope you take notice to these Restrictions and Ordinances and try very hard to obey all of Longview’s By-Laws.

Next year, let’s make even a larger difference.

Restrictions
#2: Vehicles, including trailers and motor homes, boats and boat trailers, may be parked on properties which have a permanent dwelling, provided that they are properly registered and licensed.

#7: All buildings erected thereon, shall be placed and set back not less than thirty (30) feet from the street line, and eight (8) feet from the side line of any lot, and shall conform to the laws of the State of Maryland and other regulations of St. Mary’s County.

Ordinances
#3: No stripped-down, partially wrecked, junk motor vehicle, or sizable part thereof, shall be permitted to be parked on any street in the Subdivision or on any lot.

#5: All lots, whether occupied or unoccupied and any improvement placed thereon, shall at all times be maintained in such manner as to prevent their becoming unsightly by reason of unattractive growth on such lot or the accumulation of rubbish or debris thereon.

#6: Property owners are responsible for maintaining homes and property in accordance with the St. Mary’s County Housing Code/Health Dept. Code and the Rules and Regulations of LVB Club Assoc., Inc. Any new construction, additions, etc. must have the required building permits and inspections.

#7: The grass on each property must be mowed and maintained, on a regular basis. Grass lengths longer than 8 inches will be considered as a violation of guidelines. The Assoc. has the right to mow the grass and to assess a mowing fee in the amount as deemed by the Board of Directors.

#10: All trash shall be stored in covered sanitary trash cans and disposed of regularly. No lot is to be used as a dumping ground.

#11: No outside burning of wood, leaves, trash, garbage or household refuse shall be permitted, except when done under guidelines of the County Law.

#13: All vehicles must obey the 20mph posted speed limit

All vehicles, boats/boat trailers must have an attached valid and current registered licensed plate. This is a state violation and it’s a Law. You will be reported to LV Security and St. Mary’s Sheriff’s Department.

Treasurer’s Cove

Please keep in mind Longview’s $15.00 late fee policy that will be charged on payments received after March 15th of each year.

For your questions and concerns:
If you have computer access and internet service, please use Longview’s email address for faster replies. Longview’s email address always appears on your Statement/Invoice. Otherwise, please use Longview’s mailing address.

Due to limited help, Longview’s telephone message responses will be delayed.

Thank you for your cooperation with this matter.

Longview’s email: longview@md.metrocast.net
Longview’s address: P.O. Box 359 – Chaptico, MD 20621-0359

MOST IMPORTANT – Please give us your Home or Cell Phone Number. Please give us your E-Mail Address (if applicable).

You never know when there’s an emergency.

Loving Memory

Betty Lewis, Sister of James (Jimmy) Moore - August 2017

Please keep the following LBC Members and Families in your daily prayers.
Vernell L. Catlett, William (Billy) Bevans, Ramas Poteat, Diane Tucker,
Ernest Armstrong, Elizabeth (Sue) Frye, Mary Bevans Pamela Smith, Marilyn Carpenter, Ellsworth Mouton, Gilda Hawkins, Sharon Beale
Most of the beauty of Longview is our homes and our common grounds. Our homeowners and residents are the ones who have the responsibility of keeping their property neat and clean. Our maintenance team is the one who has the responsibility to keep the real beauty and infrastructure together in an organized way.

When our family and friends come to visit Longview, they see the well-groomed maintenance of the grounds and they see the time and hard work that has been put into the cleanliness and beauty of Longview.

The benefits of our Maintenance Team’s hard work are a pleasure to our entire community and guest. The Board and Team work together to ensure that our community is well-maintained. However at times, the weather hinders our team in keeping up their regular schedule, but when time permits they are right back on track. No matter what is asked of our team, they tackle their challenges with vigor each and every day. We appreciate our maintenance team, James and Ricky, for the excellent service they give each day to Longview.

I am going to go so far as to say, Longview’s Maintenance Team is the Best in St. Mary’s County. Thank You, Team!!!

We take time now, September 2017, to celebrate the enormous progress of the past five years. Congrats!

Our Grass Cutting Service ends this month. Thanks to all who participated! The monies you paid helped Longview to purchase gas and oil for the tractors and lawnmower. It also helped with the maintenance of our equipment. With you purchasing our grass service, we can also say you have certainly helped with maintaining the beauty of Longview. Thank you and don’t forget to sign up next year!

Improve Your Children’s Oral Hygiene and Promote a Healthy Smile

Oral Disease and Children
Tooth decay is the single most common childhood disease. And it is almost completely preventable. Here are some facts:

- Tooth decay affects nearly 20 percent of preschoolers, half of second graders and three quarters of 15 year olds.
- Tooth decay is worse in children of low income, minority status and parents with limited education.
- Oral health is important to your child’s future to spare him or her disease or pain and to increase quality of life.
The First Day of School
